

# CALVARY CHAPEL VALDOSTA

BEAUTIFUL VALLEY

12 November 2023

Parents,

Mere words, alone, cannot express the joy that we have experienced this year while serving your kiddos in CC Valdosta's Children's Ministry. In January, we launched into the "God Is" series teaching what the Lord says about His character. Topics such as: God is Holy, Love, Patient, Merciful, All-Knowing, etc., were discussed. Practically, we shared how many of these attributes translate into the Christian's life as we closely stay attached to the True Vine by grace through faith - John 15.

Additionally, we began reciting the books of the Bible, from beginning to end! I'm sure you have heard the raucous echoing from the back. This has been a huge blessing tackling. Even our littlest of the bunch is sharing the books of the Bible with their family! What a blessing.

Today, we are at the tail end of studying the "God Is" series and memorizing ALL sixty-six books of the Bible. Before we endeavor into our next Bible Study adventure, we would like to give our "Distinguished Guests" an opportunity to share what they have been learning. Therefore, we have carved out space during our **Sunday, December 17<sup>th</sup>** service for this special presentation.

Final details are still in the works, but we are asking that each child who desires to participate commit to the following: faithfully attend church the next four Sunday's, continue to practice reciting the books of the Bible, character of God definitions & hand motions for both. Lastly, we are asking that each child dress in festive Christmas colors for the occasion.

In Christ Alone,
